

Position: Maintenance Technician
Location: Wednesbury
Salary From: £28,787 increasing after training and probation
Hours: Full Time, Permanent 24/7 Shift Roster
Closing Date: 31st December 2020 (multiple vacancies – may close earlier based on number of applications received)

Midland Metro Ltd is owned by the West Midlands Combined Authority. It is an inspiring time for Midland Metro Ltd as the Combined Authority delivers a £1.3 billion investment plan set to significantly expand the tram network, bringing even greater connectivity to people, places and business.

The Role

We are currently expanding the engineering department and are recruiting for a Maintenance Technician to join our Rolling Stock team.

Key responsibilities include:

- Providing a safe, effective, efficient and professional tram maintenance and repair and overhaul service for the rolling stock assets, working on a 24/7 shift roster.
- Perform both preventative and corrective maintenance on the trams, actively participating in ongoing continuous improvement activities
- Record all work activity and support the testing, commissioning and acceptance of new trams.
- Reporting and recording details on fault finding and diagnosis as well as supporting Rolling Stock Engineering Management in the delivery of the production plan, ensuring exam tasks are compliant with the planned maintenance schedule.

You will also be required to undertake role specific training and competency assessments to achieve both company and national qualifications.

What you'll need:

- A Mechanical and Electrical qualification, time served apprenticeship or equivalent experience.
- Preventative and corrective maintenance experience.
- Experience of finding and diagnosing faults in complex mechanical, electrical, electronic, hydraulic and pneumatic systems.
- Experience in the use of computer based diagnostic equipment and rolling stock / heavy vehicle maintenance would be advantageous.
- Experience in a rail maintenance environment and working with safety critical equipment would be advantageous.
- High level of attention to detail, with excellent interpersonal skills and experience of working as part of a team in a similar industry is essential.

What we offer in return?

- Flexible working hours
- 25 days holiday, plus bank holidays
- Pension & life insurance
- Discounted gym membership
- Competitive salary
- Free travel on West Midlands Metro and National Express bus services for you and your partner.

Are you interested? Please apply with CV and a covering letter; we'd love to hear from you.
