

Infrastructure Rail (Permanent Way & Overhead Line) Engineer**Location: Wednesbury, West Midlands****Salary: From £29,795.00****Full Time, Permanent****Closing Date: 25th October 2020**

West Midlands Metro is the name for the region's popular and growing tram network, operated by Midland Metro Limited. Midland Metro Ltd is owned by the West Midlands Combined Authority. It is an inspiring time for Midland Metro Ltd as the Combined Authority delivers a £1.3 billion investment plan set to significantly expand the tram network, bringing even greater connectivity to people, places and business.

The Role

We are currently recruiting for an **Infrastructure Rail (Permanent Way & Overhead Line) Engineer** to join our team based in Wednesbury. Within this role you'll carry out work to the company's rail services infrastructure, ensuring you work in a safe and efficient manner and compliant with relevant standards.

This will include:

- You'll ensure inspections and maintenance tasks are completed in line with planned maintenance schedules and in a timely manner.
- Will report any work activities and faults to the Rail Service Team Leader.
- Complete all relevant paperwork and update the Asset Management Information System.
- You support with project work and the designing of installations
- Assist with the commissioning of new systems and the development and continuous improvement of the Asset Management Information System

Please see the full list of responsibilities on the Job Description attached.

What you'll need:

- You'll hold an industry recognised qualification in permanent way and track maintenance.
- An IOSH and Management qualification would be advantageous
- You'll have extensive experience of working within the light rail or rail industry
- Strong working knowledge of rail or light rail infrastructure, permanent way and overhead line systems.

What we offer in return?

- Competitive salary;
- 25 days holiday + bank holidays;
- Free travel on West Midlands Metro and National Express bus services for you and your partner;
- Contributory pension scheme;
- Life insurance
- Discounted gym membership.
- 24/7 365 Employee Assistance Programme (EAP)
- Company uniform

Are you interested? If so, we'd love to hear from you!
