

Fleet Engineer**Location: Wednesbury, West Midlands****Salary: Competitive****Closing Date: Thursday 3rd December**

West Midlands Metro is the name for the region's popular and growing tram network, operated by Midland Metro Limited. Midland Metro Ltd is owned by the West Midlands Combined Authority. It is an inspiring time for Midland Metro Ltd as the Combined Authority delivers a £1.3 billion investment plan set to significantly expand the tram network, bringing even greater connectivity to people, places and business.

The Role

We are currently recruiting for a Fleet Engineer to join us to support our Rolling Stock team by overseeing the day to day technical management of the current CAF Urbos Tram fleet and ensuring a safe and dependable tram service is provided.

Other responsibilities will include:

- Correctly reporting, rectifying, tracking and closing any in-service failures
- Analyse fleet data to establish any trends; helping to improve reliability and prevent in service failures
- Work closely with other departments within the business to help improve fleet performance
- To improve the reliability of the fleet and cost effectiveness of vehicle maintenance you will develop the maintenance regime, including instructions, procedures and associated documents
- Investigate and review fleet safety related incidents
- Carry out rostered on-call duties as part of Fleet Technical On-call team

What you'll need:

- You'll hold a time served Engineering Apprenticeship and further qualifications in Electrical or Mechanical Engineering
- Extensive experience in a technical engineering position
- Experience in finding and diagnosing faults in complex mechanical, electrical, electronic, hydraulic and pneumatic systems
- Rolling stock experience in a depot environment
- In depth knowledge of rolling stock systems and technologies
- Knowledge of National and European railway standards

What we offer in return?

- Competitive salary
- 25 days holiday + bank holidays
- Free travel on West Midlands Metro and National Express bus services for you and your partner
- Contributory pension scheme
- Life insurance
- Discounted gym membership.
- 24/7 365 Employee Assistance Programme (EAP)
- Company uniform

Are you interested? If so, we would love to hear from you!

Please submit a CV, along with a covering letter detailing your suitability for this role and your response to the questions listed below to: Recruitment@westmidlandsmetro.com
