

**Job Role:** Project Manager  
**Location:** Wednesbury, West Midlands  
**Salary:** £39,000.00  
**Hours Of Work:** Full Time, Permanent

Midland Metro Limited (MML), operate West Midlands Metro tram services and are wholly owned by the West Midlands Combined Authority (WMCA).

It is an inspiring time to join MML, as the WMCA delivers a £1.3 billion investment plan set to significantly expand the tram network. The expansion programme is set to transform Metro from a single line to a network that is three times larger, with over 80 stops serving more than 20 transport interchanges and linking Wolverhampton, Birmingham, Dudley, Brierley Hill, Digbeth, North Solihull, Birmingham Airport, the NEC and HS2. MML will be doubling the size of the existing tram fleet over the next two years.

### **The Role**

We now have an opportunity for an experienced Project Manager to manage multiple engineering projects ensuring they are completed on budget and to schedule. You will plan and design a variety of projects, ensuring that we maintain high standards, H&S and best practice whilst maintaining accurate documentation and reports. Confident and approachable, you will liaise with both internal and external stakeholders, providing leadership and technical support to the team. You will ensure that all works are executed with minimum disruption and adhere to all relevant regulations.

With previous project management experience, ideally from a similar technical background, you'll be proficient in development lifecycles and methodologies. You'll have excellent customer management skills and be highly organised with the ability to manage a variety of projects simultaneously. Ideally with a project management qualification e.g. PRINCE2, you will use lateral thinking to solve issues and identify potential risks when preparing engineering projects.

Due to the nature of the role, it is a prerequisite that you have a full UK driving licence and a flexible approach to working hours.
